BARE-CO® UNIVERSAL PTO SHAFT SHIELDS

Protect yourself, your family and your employees from PTO entanglement.

- Universal shield fits 90% of implements.
- Meets SAE 522.1.
- Lever release allows shield to be pulled back for easy maintenance.

For installation instructions, watch this video at www.youtube.com/tktktktk. To determine your length, measure from bearing groove to bearing groove. Each shield comes with an assortment of bearings.

Small Diameter

Fits yoke bearing groove diameter 5/16” to 3 1/8”

Short	Mid-Length	Long
up to 5’	up to 7’	up to 10’
\$59	\$63	\$68
AS20090	AS20130	AS20180

Large Diameter

Fits yoke bearing groove diameter 2” to 3 1/8”

Short	Mid-Length	Long
up to 5’	up to 7’	up to 10’
\$77	\$80	\$83
AS30090	AS30130	AS30180

Replacement bearing kit
For use with BARE-CO PTO shaft shields.

To fit small diameter kit: \$15
To fit large diameter kit: \$15

Replacement hand release levers
For use with BARE-CO PTO shaft shields.

To fit small diameter kit: \$5
To fit large diameter kit: \$5

Extension bellows
Replaces existing bellows for applications requiring cover to end of end yoke. Can be trimmed to required length.

To fit small diameter kit: \$5
To fit large diameter kit: \$7

BARE-CO® TRACTOR SEATBELTS

If you have a roll bar or Rollover Protective Structure (ROPS) on your tractor, wearing a seatbelt is important. Seatbelts help keep the tractor operator in the safety zone created by the ROPS and are more effective in preventing injuries than using the ROPS without a seatbelt.

Do not install a seatbelt on a tractor that does not have a ROPS. The National ROPS Rebate Program provides information on where to order certified ROPS kits that include seatbelts. Go to www.ropstr4u.org or call (877) 767-7748.

NOTE: on tractors fitted with suspension seats, attach seatbelts to the approved mountings on the seat. For old tractors without suspension seats, attach belts to 7/16" diameter bolts in tractor transmission housing.

Adjustable seatbelt
Fully approved to EEC standard.
\$32

Retractable seatbelt
Fully approved to EEC standard.
\$42

ROPS seatbelt mounting kit
For use where bolts need to be attached to Bare-Co ROPS frame.
\$12.50
