Welding Respirators	pg. 4
Half-face Respirators and Replacement Parts	pg. 5
Disposable Cartridges and Filters	pg. 6

DISPOSABLE RESPIRATORS

Certified by NIOSH for protection from harmful dusts, disposable respirators do not protect against vapors or gases, including paint vapors, formaldehyde, and certain pesticides.

Moldex 2300 N95
Dust mask with exhalation valve, size M/L
\$28.50/box of 10

Moldex 2200 N95
Dust mask without exhalation valve, size M/L
\$26.25/box of 20

Moldex 2301 N95
Dust mask with exhalation valve, size S
\$28.50/box of 10

Moldex 2201 N95
Dust mask without exhalation valve, size S
\$26.25/box of 20

Moldex 2307 N95
Dust mask with exhalation valve, alternate shape
\$34.50/box of 10

Moldex 2207 N95
Dust mask without exhalation valve, alternate shape
\$26.25/box of 20

3M 8210 N95
Disposable respirator, one size
\$16.25/box of 20

3M 9211+ N95
Disposable respirator, fold flat, individually packaged, one size
\$20.75/box of 10
\$2.50 each

3M 8511 N95
Disposable respirator with exhalation valve, one size
\$24/box of 10

3M 8110 N95
Disposable respirator, size small
\$18.50/box of 20

N100 AND P100 RESPIRATORS

N100 and P100 respirators offer high filter efficiency, comparable to a HEPA filter. They filter 99.97% of particulates from the air. N series respirators are not resistant to oil; P series are oil proof.

3M 8233 N100

Disposable respirator, 99.97% filtration efficiency against non-oil based particles, exhalation valve reduces heat buildup inside the respirator, adjustable straps allow for a custom fit, one size

\$14 each

Moldex 2360 P100

Disposable respirator, 99.97% filtration efficiency offers protection against oil-based particles, exhalation valve reduces heat buildup inside the respirator, adjustable straps allow for a custom fit, one size

\$41/pack of 4

3M 8293 P100

Disposable respirator, 99.97% filtration efficiency offers protection against oil-based particles, exhalation valve reduces heat buildup inside the respirator, adjustable straps allow for a custom fit, one size

\$13 each

WELDING RESPIRATORS

Welding respirators meet heat and flame resistance in accordance with ANSI/ISEA 110-2003 and fit easily under welding hoods.

Moldex 2315 Welding N99

Disposable Respirator, 99% filtration efficiency against welding fumes in non-oil areas, exhalation valve increases ease of breathing, adjustable straps allow for a custom fit, M/L

\$58/box of 10

3M 8212 Welding N95

Disposable Respirator, 95% filtration efficiency against welding fumes in non-oil areas, exhalation valve increases ease of breathing, one size

\$56/box of 10

HALF-FACE RESPIRATORS AND REPLACEMENT PARTS

Half-face respirators protect you from harmful gases, vapors, and/or particles. They offer a higher degree of protection than disposable respirators and can be equipped with a variety of filters and cartridges. We're here to help you identify which is suitable to your workplace exposures. Call 800-343-7527 or e-mail info@necenter.com.

North 7700 Half-face Respirator

Flexible silicone half-face respirator fits a variety of facial shapes, offers a higher degree of protection than disposable respirators, available in S, M or L

\$31 each

Replacement Cradle Suspension

For use with North 5500 and 7700 series, includes head strap and buckles

\$24.75 each

Replacement Cartridge Connectors

For use with North 5500 and 7700 series

\$10.75/pair

Replacement Exhalation Valve Seats

For use with North 5500 and 7700 series

\$10.50/pair

Replacement Exhalation Valves

For use with North 5500 and 7700 series

\$21.75/pack of 4

Replacement Inhalation Valves

For use with North 5500 and 7700 series

\$11.75/pack of 6

Replacement Exhalation Valve Guards

For use with North 5500 and 7700 series

\$7 each

DISPOSABLE CARTRIDGES AND FILTERS

Fits North 5400, 5500, 7600 and 7700 series full- and half-face respirators. Alternate models of half-face respirators, full-face respirators, filters, cartridges, and powered air purifying respirators (PAPR) can be special ordered. Please call 800.343.7527 for assistance.

North Defender - Multi-gases & vapors, P100 respirator cartridges.

Approved for respiratory protection against organic vapors, chlorine, hydrogen chloride, sulfur dioxide, hydrogen fluoride, chlorine dioxide, ammonia, methylamine, formaldehyde, also for hydrogen sulfide for escape only, 99.97% efficient against solid or liquid particles, including oil-based particles

\$21/pair

North Organic Vapor & P100 - Organic vapor & P100 respirator cartridges

Low-profile cartridge approved for use against organic vapors and 99.97% efficient against solid or liquid particles, including oil-based particles

\$20/pair

North P100 Cartridge
99.97% efficient against solid or liquid particles, including oil-based particles

\$7.50/pair

North P100 Pancake Filters
99.97% efficient against solid or liquid particles, including oil-based particles

\$7.50/pair

Allegro Alcohol-Free Cleaning Pad

Alcohol-free cleaning wipes provide quick, affordable way for workers to clean respirators. Benzalkonium chloride wipes won't harm rubber face pieces. Box contains 100 individually packaged 5"x8" wipes.

\$12/box
