NOT JUST A LIFE PRESERVER. A LEGACY PRESERVER.

Lifejackets. They're not cork anymore. Now lighter, less bulky, and easier to work in. Put on your lifejacket and preserve your legacy. Help keep a good thing going.

A group of five people, three men and two women, are standing on the deck of a boat. They are all smiling and looking towards the camera. The man on the far left is wearing an orange lifejacket and a cap. The woman next to him is wearing a yellow lifejacket. The man in the center is wearing a blue lifejacket. The woman next to him is wearing a blue lifejacket. The man on the far right is wearing a blue lifejacket and a cap. They are all wearing various types of flotation devices, including lifejackets and fenders. The background shows a body of water with other boats and a forested shoreline.

Yes, they are all wearing flotation devices!
